Mary Lou Dodd and the record mule deer antler spread of 37½ inches. She shot the big buck early in the 1949 season near Crawford.

# THE NEBRASKA BIG GAME TROPHY RECORDS PROGRAM

Nebraska trophy recognition certificates have been awarded since 1962 for outstanding big game trophies taken in the state during legal hunting seasons. This book is an updated listing of trophies replacing the 42nd edition of 2021.

Trophy scoring is based on the standard scoring method developed by the *Boone & Crockett Club*, the organization that maintains records of all North American big game. All persons who have taken big game in Nebraska by legal means during an authorized season are invited to present their trophy for scoring. Currently, this includes whitetail deer, mule deer, pronghorn, American elk, and bighorn sheep. Trophies taken in past years as well as the present are eligible.

To have your trophy scored you may bring it to a Nebraska Game and Parks office located in Alliance, Bassett, Norfolk, North Platte, Lincoln, or Kearney. You may also take it to one of the certified *Boone & Crockett Club*, *Pope & Young Club*, or *Longhunter Society* measurers listed on the next page (measurers for the *North American Shed Hunters Club* are noted as well). To allow for shrinkage, scoring must be delayed until at least 60 days after the antlers or horns have been cleaned (*known as the drying period*). Drying must occur at “normal room temperature” and “normal room humidity”. Any days that the horns or antlers have spent frozen or in cold storage should not be counted in the 60-day drying period.

Currently, 29 of the 32 categories of big game trophies for Nebraska are listed in this book by species, (*whitetail deer, mule deer, pronghorn, American elk, and bighorn sheep*) type of rack, (*typical or non-typical*), and method of take, (*archery, modern firearm, muzzleloader and crossbow*). Minimum scores for qualification in each category are listed on the following page.

You can review and search the Nebraska big game trophy records on the Internet at <http://outdoornebraska.gov/biggametrophyrecords/> as well as print additional copies of this book from the PDF link on the webpage. Please contact the Nebraska Game and Parks Commission’s Big Game Trophy Records Program in Lincoln if you have any questions or comments about the program.
